# Line 903 will be extended to Quinta das Rosas in Vila Nova

2016.04.18

From April 18, STCP extend the route of line 903 in order to serve Quinta das Rosas.

This area will have direct links to:

- Santo Ovidio
- Sto Metro stations. Ovid, John II, John of God, the Music House
- Large shopping centers of Gaia
- Colleges
- Boavista CBD

Line 903 runs every day. On work days frequencies range between 10 and 15 minutes and on weekends from 20 to 25 minutes through the area. To mark the improvement of service our customers will feel the floral scent of roses in the 12 buses operating this line, welcoming them with a pleasant fragrance. Scented buses will be on line 903 for a few days and then will start to circulate in several lines.
