What is the Andante Tour?

Andante Tour card is a multimodal ticket designed for tourists who want to get around Porto Metropolitan Area free of worries. With the Andante Tour ticket you can travel in STCP buses, other selected bus lines, Metro and urban trains in all the Andante Area. You choose only the number of days you want to travel.

What are the options?

Andante Tour Card comes in two versions:

- **Andante Tour 1** is valid for 24 consecutive hours after first validation has taken place and it costs € 7,00.
- **Andante Tour 3** is valid over 72 consecutive hours after first validation has taken place and it costs € 15,00.

Which means of transport are included in the Andante Tour ticket?

Both cards entitle you to travel on STCP buses, metro lines, CP urban trains (stations between Espinho, Valongo and Travagem) and other bus lines in the Andante system, allowing an unlimited number of journeys during the respective validity period.

Please be aware that you must validate the AndanteTour Card before every boarding! Lack of validation is subject to heavy penalty.
